

Upcoming geotechnical scientific events

Published online: November 19, 2022

Conferences & Workshops

16 th International Conference on Geotechnical Engineering	07 to 08 Dec. 2022
Link: https://16icge.uet.edu.pk/	
5 th International Symposium on Geosciences at the Service of Sustainable Development (Cigsdd2022/ Online)	12-13 Dec. 2022
Link: https://cigsdd2022.sciencesconf.org	
8 th International Conference on Unsaturated Soils	02 to 05 May 2023
Link: https://www.issmge.org/events/8th-international-conference-on-unsaturated-soils	
Underground Construction	29 to 31 May 2023
Link: https://www.ucprague.com	
Building for the future: Durable, Sustainable, Resilient	5-7 Jun. 2023
Link: www.fibsymposium2023.org	
17 th Danube - European Conference on Geotechnical Engineering	07 to 09 Jun. 2023
Link: http://www.17decge.ro	
9 th International Congress on Environmental Geotechnics	25 to 28 Jun. 2023
Link: https://www.iceg2022.org	
Numerical Methods in Geotechnical Engineering	26 to 28 Jun. 2023
Link: http://imperial.ac.uk	
8th International Conference on Debris Flow Hazard Mitigation	26 to 29 Jun. 2023
Link: http://www.dfhm8.polito.it	
17 th Asian Regional Geotechnical Engineering Conference	14 to 18 Aug. 2023
Link: https://17arc.org	
4 th International Symposium of Machine Learning and Big Data In Geoscience	29 Aug. to 01 Sep. 2023
Link: https://www.ismlg2023.com	
8 th International Symposium on Deformation Characteristics of Geomaterials	03 to 06 Sep. 2023
Link: http://www.fe.up.pt/is-porto2023	
SUT OSIG 9 th International Conference, "Innovative Geotechnologies for Energy Transition"	12 to 14 Sep. 2023
Link: http://www.sut.org	
12 th International Conference on Geosynthetics	17 to 21 Sep. 2023
Link: http://www.12icg-roma.org	
28 th European Young Geotechnical Engineers Conference and Geogames - Date Change	04 to 07 Oct. 2023
Link: https://www.eygec28.com	
2 nd International Conference on Construction Resources for Environmentally Sustainable Technologies	20 to 22 Nov. 2023
Link: https://www.ic-crest.com
