

# Call for papers

## Invitation

Alwaha Scientific Publishing Services (ASPS) and its Partners are pleased to invite you to participate in the first ICETME 2021 that will be held on 18-20 September, 2021 as an online Conference.

The main goal of the ICETME 2021 is to promote the exchange of recent advances and researches in theoretical and experimental aspects of Energy, Thermofluids and Materials Engineering, as well as inter-disciplinary subjects.

On behalf of the 1<sup>st</sup> ICETME 2021 organizing committee, we extend a warm welcome and invite you to participate in our ONLINE conference.

Dr. Adel Benchabane  
Conference Chair  
University of Biskra – Algeria

## Host publisher

The host ASPS is an international academic publisher with an editorial team comprising many of the world's leading scientists and researchers. ASPS is located in Biskra (Algeria) as a private publisher specializing in the publication of online and print scientific journals, as well as special issues, books, conference proceedings and other publishing services.

## Proceedings

Submitted papers will be reviewed by the Scientific Committee. All accepted (Registered & Presented) papers will be collected as a conference proceedings, which will be indexed at least by CrossRef and Google Scholar.

All accepted papers (oral and poster presentations) will receive a DOI; will permanently be available via [doi.org](http://doi.org) and via [asps-journals.com/index.php/acp](http://asps-journals.com/index.php/acp) as ASPS Conference Proceedings.

## Language

English is the official language of the conference; papers should be written and presented only in English.

## Important Date

Full Paper Submission: [August 15, 2021 \(last deadline\)](#)

Notification: From July 26, 2021 to November 15, 2021

Registration: From July 26, 2021

## Registration

Registration and participation with online, oral or poster, presentations are fully FREE. The ASPS will cover all registration, presentation and publication costs, both in the ASPS Conference proceedings and/or ASPS journals.

## Publications

In order to ensure the widest possible dissemination and visibility for authors and their work, the ICETME 2021 offers the possibility to publish selected best papers (oral and poster presentations) in ASPS journals, including:

- Energy and Thermofluids Engineering, ETE
- Progress in Civil and Structural Engineering, PCSE
- Journal of Renewable Energy and Technology, JRET
- Journal of Composites and Advance Materials, JCAM
- Journal of Geomechanics and Geoengineering, JGG
- Progress in Construction Materials, PCM
